

R19 Protection of the South Atlantic Ecosystems

Proposer: Partido Verde Argentina

Resolution text

1 The Global Greens make a call:

2
3 1) To the governments of Argentina, Brazil and Uruguay, to take urgent actions
4 to protect the ecosystems of the South Atlantic Ocean, currently the richest
5 fishing ground on the planet.

6
7 2) To the governments of Argentina and the United Kingdom, to resume the
8 negotiations to find a peaceful and definitive solution to the sovereignty
9 dispute of the Malvinas Islands, which includes the conservation of fishing
10 resources and the defense of marine ecosystems.

11
12 3) To the United Nations and international organizations to strengthen the
13 commitment for the conservation of fishing resources in the South Atlantic
14 Ocean, and to address this issue at the highest level, in all the relevant
15 forums.
