R20 A1 Nuclear Waste Threat in the Pacific

Proposer: Australian Greens | Japan Green Party

Resolution text

Insert from line 1 to 2:
Noting that at this time due to global pressures as a result of escalating climate change and the impact of the war in Ukraine, there is a renewed push to maintain and increase nuclear energy, this Resolution seeks to focus on the ongoing threat of nuclear waste and its disposal, especially in the Pacific.

Recalling all relevant international instruments, particularly the Convention and Protocol on the Prevention of Marine Pollution by Dumping of Wastes and

From line 13 to 16:
~~Recommending that:~~

~~That~~We the Global Greens:

From line 31 to 32:
6. Support the Green Party of Japan and the Green Party Korea in ~~its campaign~~their campaigns against further nuclear energy plants and against the dumping of nuclear waste in the Pacific.

Reason

We wanted to add a short reason for this Resolution at the top of the Resolution and a couple of other small changes.
